

MADE IN SOUTH KOREA

POWER FACTOR CAPACITORS (DRY TYPE)

S.no	Description	Price (Rs.)
1	2.5 KVAR 3-PHASE 415V 50HZ	2,200/-
2	5 KVAR 3-PHASE 415V 50HZ	3,600/-
3	7.5 KVAR 3-PHASE 415V 50HZ	4,100/-
4	10 KVAR 3-PHASE 415V 50HZ	5,000/-
5	12.5 KVAR 3-PHASE 415V 50HZ	5,900/-
6	15 KVAR 3-PHASE 415V 50HZ	6,900/-
7	20KVAR 3-PHASE 415V 50HZ	10,200/-
8	25 KVAR 3-PHASE 415V 50HZ	11,500/-
9	30 KVAR 3-PHASE 415V 50HZ	13,500/-
10	40 KVAR 3-PHASE 415V 50HZ	18,500/-
11	50 KVAR 3-PHASE 415V 50HZ	21,500/-

- NUINTEK capacitors are manufactured according to the international standards.
- The containers are made of zinc coated cold mild steel and tin plate and have double coat-painting with munsell 5Y 7/1 color.
- The capacitors are equipped with internal discharge resistors and internal safety device. In case of short circuit, the winding self-heals immediately.
- The capacitors are made of self-healing metallized polypropylene film dielectric equipped with pressure sensitive interrupter.
- Ambient Temp. -25°C + 55°C
- Altitude Not exceeding 2000m
- Test voltage between terminal and container 3000VAC
